## Upstairs room Hire

We cater for larger parties in our upstairs mezzanine area.

This area can hold between 30 to 55 people. If there is less than 30 people this is fine but we cannot guarantee the area will be exclusively for your party.

We do not charge for the hire of the upstairs, we do ask for a £5 deposit per head to secure your booking and the area for a certain date. If you choose to sit downstairs instead you will not lose the deposit. Likewise if you need to change the date for any reason we can organise where possible, as long as you give us enough notice. If you choose the buffet option we require 50% of the payment upfront. The remainder can be paid on the day.

We are happy if you would like to decorate the area and also more than happy to bring a cake and sing happy birthday or celebration.

There are a couple of options we have attached our 2 course weekend set menu for the upstairs area and buffet menu.

### **You are also able to order off our ala carte menu or our children's menu**

If you would like to order off of our al a carte menu this is also fine as long as everybody is eating.

(We ask you pre order your food beforehand, desserts however can be ordered on the evening).

### **If you would prefer a less formal meal we do offer a buffet option:**

£13 per head (includes pizzas and sides)

£15 per head (includes pizza, sides a pasta and selection of meats)

£18 per head (includes pizza, sides a pasta and selection of meats and fish)

If you choose the buffet option we require 50% of the payment upfront. The remainder can be paid on the day. With confirmation of numbers a couple of days before.
